The allocation as originally made was for a grant for 1901/02 - It has since been ascertained that no claim was received in that year. If in 1902/03 a Prize Giving is decided upon, the allocation may be renewed in time to enable the necessary grant being sanctioned by reappropriation from the Surplus of the Education Vote - the sanction now asked for being necessary

Accts - Suppose Govt's orders ?

1) The I.G.E presumes that a prize giving for the years 1901-1902 & 1902-03 has been decided upon by the Lady Superintendent herself in consultation with the Honorary Secretary of the Committee.

2) The requirements for 1901-1902 are according to the Lady supdt Rs 350 and for 1902-1903, Rs 250 are required

The I.G.E thinks that a grant of Rs 150 for the year 1901-1902 is sufficient and the amount required for 1902-1903 may be decided later on

The I.G.E says that the amount Rs 150 for the year 1901-1902 may be met by reappropriation from the amount of Rs 10,000 provided in the budget for the purchase of books etc-

Sir

I have the honour to state that it is now contemplated to distribute prizes to the successful pupils of the Maharanis College for the years 1899 and 1900 and to inform you that for the year 1899 a sum of Rs 150 will be necessary for prizes to the successful candidates at the Public Examination and Rs 115 for the other classes For 1900 no prizes will be awarded to any such as the pupils were successful in the Public Examinations, a sum of

Rs 115 will be sufficient. No prizes will be awarded to the pupils of the other classes as no class examinations were held in 1900 on account of Plague in Mysore. As for prizes to the Infant Department we propose to utilize the sum of Rs 60 received last year from the Palace for distribution of sweets to children during H H the Maharaja's marriage, and so no grant will be necessary from Government for the purpose.

I therefore request you to kindly obtain the sanction of Government for a prize grant of Rs 380 for the years 1899 and 1900, at your earliest convenience, as it is proposed to distribute the prizes after the re-opening of the College in June next.

to be Rs 350 and those of 1902-1903 to be Rs 250. The results of the public examinations of 1902 will not all be out till February 1903. It seems to me therefore that it is too premature to decide upon the prize distribution for 1902-1903 now. In 1901-1902 no one passed the F A or Matriculation examination. At the Lower Secondary Examination five girls passed in the English Language, and four more passed from the Vernacular V class. Two candidates also passed the Teacher's Certificate Examination of the Lower Secondary Grade.

3 Under these circumstances it seems to me that Rs 150 may be sanctioned for prizes for 1901-1902 by reappropriation from the provision of Rs 10,000 for the purchase of books in the State Funds Budget. The amount sanctioned for prizes for the Maharaja's College is Rs 150, and for each of the Government Girls' Schools in Bangalore Rs 100.
